Tuesday 5th September	Children return to school

Dear Parents

Another half term has flown by packed full with fun and excitement. I know our Early Years children particularly enjoyed their Den Building Day; all our children are fortunate to have fun while learning on a weekly basis in our special Forest School environment. A huge thanks to Mrs Smale for leading this area of the curriculum and thanks to our regular volunteer Mr Arblaster for helping make this happen - memories for life!

All our staff work tirelessly to make sure our children achieve the best they can and have a good attitude to learning - a Growth Mindset: believing they can achieve and trying their best in everything they do. Well done to all our pupils in Years 1, 2 and 6 who have taken SATS and phonics tests this year who tried their best and showed us and their fellow pupils this Growth Mindset attitude.

Our sporting teams are also to be congratulated again this half term, for representing our school so well in inter-school competitions, both through their successes and by showing their great sportsmanship.

I hope that by the time you read this letter you will have been able to join us for Sports Day - third time lucky - and that I will have had the chance to catch up with you again at our Open Evening, where we will be celebrating all the hard work children have put in to their learning this year.

I would like to finish by wishing our Year 6 pupils, and other pupils unable to return to us in September, good luck in their future learning journeys.

If I don't see you again before the end of term, have a lovely summer holiday and I look forward to welcoming you back in September,

Mrs Kim Stokes

Cluster Sports at Woore School

Cluster Sports at Woore Primary School will take place on Thursday 13th July. Unfortunately parents will be unable to stay and watch Cluster Sports. Please take your child/ren to Woore School for **9am**. Please do NOT park in the school car park. Parking is available either behind the Village Hall or at the Falcon public house. Children should be dressed in their PE kit and trainers and have with them a sweatshirt and waterproof coat. They do not have to bring school uniform to change into, unless you would like them to. Children must bring their own packed lunch and drinks - no fizzy drinks/glass containers. As with all trips it would be preferable if packed lunches were brought in a named carrier bag and if all containers were disposable. Children will be brought back to Adderley School by coach at 1pm and can be collected from school at the normal time.

Should the event be rained off, we will send a text by 8.30am on the day.

Parents Evening

We look forward to welcoming you in to school on Thursday 13th July from 3:30pm when you will have an opportunity to look at your child's work and celebrate their achievements. The school will be open from 3:30 - 7pm.

Year 5 Taster Day

Our Year 5 children will be visiting Grove School on Tuesday 18th July for a taster day. Children will be collected from Adderley School at 9am and will return for the end of the school day.

Year 6 Leavers' Assembly

The Year 6 Leaver's Service will be held at the Village Hall on Thursday 20th July at 2.30pm. Friends will very kindly provide refreshments.

Everyone is welcome to attend

Calendar Competition

This year the children were asked to paint the month of June for the Market Drayton Art Club 2018 School Calendar. This year the judges found the task of choosing the final calendar winners difficult and were asked to nominate other shortlisted paintings from each school they considered were of a particularly good standard.

A huge congratulations to our winner Edie Nixon and a very well done to Emily Arblaster for being nominated as very highly commended.

As with previous years, all shortlisted artwork will be on exhibition as part of the Drayton ArtsFest from 27th -29th October at the Phoenix Centre (used to be the Youth Club) and all will receive a certificate presented to them by the Mayor of Market Drayton on Saturday 28th October. Full details of this will be announced at the beginning of the Autumn Term.
